

Plum Area Youth Soccer Travel Team Player Move Procedure

Plum Area Youth Soccer (PAYS) Travel teams are formed each year at tryouts. Travel teams are formed for one full year (Fall and Spring seasons) or from tryout until the next tryout. PAYS expects each player on every Travel team to maintain that commitment for the year. This rule will be followed for the continuity of our individual teams and the integrity of the tryout process. No player shall be moved for convenience or likewise similar circumstances, only truly exceptional situations shall be considered.

Procedure:

1. A letter from the parents of the player requesting to be moved must be written to the PAYS Board of Directors and Travel Coordinator stating the specific reason, in detail, for the requested move.
2. The coach of the player's current team must approve with an accompanying letter stating cause(s) for consent.
3. The coach of the team the player is requesting to move to must approve with an accompanying letter stating reason(s) for acceptance.
4. The Travel Coordinator must approve with an accompanying letter with reasoning for his or her determination
5. The PAYS Executive Board will then hold a Special Meeting to approve or deny the request based on the evidence.

**** Plum Area Soccer reserves the right to amend or enhance this procedure. ****
